COOKING DIRECTIONS AND TIPS FOR BEST RESULTS

Pickers are versatile, easy to cook and have great plate appeal. See how get the best results from your Pickers below

1 ENSURE PROPER STORAGE

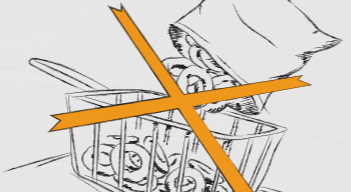

! Interruption of frozen chain can cause breading loss, bad texture and/or product stucked together.

2 HANDLE WITH CARE

! The frozen product is fragile: any falls and shocks can impact on the final quality in the plate.

3 PICK UP THE PRODUCT

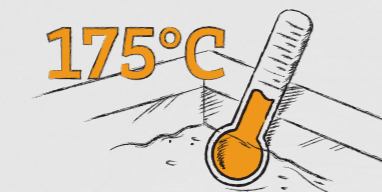

! Do not overturn the bag directly into the fryer, to avoid the oil get dirty (especially for breaded products).

4 COOK ALWAYS FROM FROZEN

! For best results, pick the product directly from the freezer and cook always from frozen state.

5 SET THE RIGHT OIL TEMPERATURE

! Highest temperatures accelerate oil deterioration and increase the risk to serve unhealthy product.

6 CREATE YOUR PORTION

! Select exact n° of pieces to make your portion.

7 RESPECT COOKING TIME

! Appetizer has specific cooking time not subject to fluctuation: you can rely on it!

8 DRIP THE READY PRODUCT

! Pour on absorbing paper before composing your portion to avoid any oily residues.

9 SERVE HOT

! You can serve immediately or keep it under the heating lamp till 10 min.
